Section C: DSG Discussion

C1: Delivery Sub-Group (DSG) Recommendations

DSG Date:	24/01/2022
DSG Summary:	SH confirmed this CP is issued for information and relates to Gemini changes that are being implemented in spring 22 release. JW asked what the actual release date will be. SH stated that the implementation date is 24th of April 2022. EL stated that the information that has been shared with the industry does not appear to be a change pack that customers can review. SH agreed that this was confusing and taken an action to correct this (this was corrected during the meeting).
