	Service Requirement Description	Service Requirement Trigger					
	To provide the ability for Suppliers who are operating under a DoU following the Termination of the Shipper User, to utilise other existing Shipper User relationships to source additional supplies of gas and make trade nominations to the Terminated Shipper User account to balance that portfolio and mitigate increased costs, until a new ‘Registered User’ is appointed.	Supplier populates and submits the ‘Supplier – Failed Shipper replacement form’ which can be located on Xoserve.com. This is sent to the Shipper contact provided on the form.					
	<p>Full Details of the Service line can be viewed within the embedded version of the Service Description Table (v21.1) below</p>
